Secretary to Government,

BANGALORE.

I have the honour to forward herewith two Estimates with necessary plans. Each for Rs.2690/- for the construction of rest houses at Devanoor and Singatageri both in the Kadur Taluk.

The construction of the buildings in the two places is quite necessary as both the villages are very populous business centeres. At present there are no halting places for the outsiders who visit the villages on business. They are both situated in the interior of the Taluk and no rest houses or Travellers' Bungalows are near at hand.

In consideration of the necessity constantly felt by touring officers and the travelling public, the Taluk Board of Kadur who have sufficiently large funds at their credit have resolved to construct the buildings out of their own finances. The District Board at their meeting held on 17-5-1926 have approved the proposal of the Taluk Board and sanctioned the enclosed Estimates. Necessary provision will also be made therefor in the Taluk Board Budget now under compilation and I therefore recommend that sanction of Governemnt may kindly be obtained for the enclosed estimates for the construction of the rest houses at Devanoor and Singatagere both in the Kadur Taluk.

Both the estimates have been got scrutinized by the Executive Engineer. A copy of the Board resolution is also appended hereto. Early orders are solicited.
